Derby Dales raid of four

Club Night

Martin had to use a whistle to call the meeting to order

Lots of hellos, my Dad was visiting and decided an evening with the TRs was preferable to a night in alone, silly boy when it's an AGM

New members John & Andrea who have a TR7, great news, we 7 owners will take over yet.

Linda was paying a flying visit home from Canada and managed to coincide with a meeting, great to see you Linda.

Derby Dales repaid our raid and sent a posse of three to the meeting.

Out and About last month

Will be brief as you have enough to read with the AGM

Last Run out ending with the food collected consumed at the Gunn residence in Syston, hoods down all the way. We have just finished the piece of Stilton left behind.

Bonfire Party at Wilbarston by kind incitation of the Holyoaks. We walked up to the village hall to watch the bonfire being lit and then a wonderful display of fireworks, followed by food provided by Jenny and Andy. Deserts provided by an assortment of members. A great night was had by all. Just as a footnote, when Jennie added up the food bill, it was double what she had thought so we are asking for £1 from each person who went, any shortfall will be paid for out of club funds.

John managed to get hold of a Pi engine at the classic car show, looking forward to seeing it in a car.

Derby Dales raid, Martin and Rog joined Terry there and came third in the quiz. Pie, chips and mushy peas was enjoyed by all.

AGM

Treasurers Report, see attached breakdown, mainly obvious but a few to point out. Engraving was the cost to add our name to the wheel spinner's trophy for last year. Gazebo, the difference between what we paid for the new gazebo and what they were prepared to refund when it was rubbish. Launde Abbey was the donation we gave when we visited on the first run in April. Funds are healthy so I see no reason to increase the subs which will be due in January.

Group Leader's Report, Martin explained why we pay a subs and thanked all those involved in any official capacity throughout the year, a copy of his report is attached.

Election of posts for 2010, basically nobody wanted to stand down and nobody wanted the jobs so they remain as follows

Leader	Martin Ward
Deputy	Ruth Richards
Treasurer	Rachael Gunn
TRipe Scribe	Rachael Gunn
Social Scene Contributor	Sue Faulkner

Coming Up

New Years party, the Faulkners have kindly offered their home, 19 Cropston Avenue, Loughborough, LE11 4PR. Food to be discussed at Dec meeting

Christmas Meal, 16th January, Belvior Brewery, Old Dalby. Does anyone have a room available for those travelling further, perhaps you could let me know then I can publish a list.

£18.00 per head with a deposit of £5 and meal choice (see attached) at the next meeting.

Wine and Beer will be on the table and soft drinks for drivers.

Tim has some archive TR footage we can show and David Guzzetta wants contributions, preferably on a memory stick, to make a montage of our year.

Sorry, just realised I am typing this late on the night of the meeting, Colin and Ann have organised France for 19th to 26th June 2010 with a meeting at their house on Sunday 5th to discuss fine details, if you did not know about the meeting but want to go, please contact them asap to let them know.

AOB

Once again we have decided not to send Christmas cards but donate to charity instead, we will be collecting at the next two meetings and will add to last years and send together.

Ideas needed for events next year, anyone can organise one, just make sure there is enough interest before you spend too much time on it.

It was suggested we do one of the Britain's best drives recently featured on TV, how about North Devon?

Ideas for new regalia please.

See you all soon, Rachael
